

Lampenschirme für Tischlampe BOT09-x

For table lamp BOT09

diPotter®

The following selection of Di-Potter lamp shades suites for an attachment on the Bottlelight table lamps BOT09. Alternatively, the lamps shades can also be put on wine glasses with a flameless LED tea light in it.

The lamp shades are available in six-packs normally having three designs times two lamp shades. The lamp shades have the following size: Ø 11,4/5 cm; Hight: 12,1 cm.
